This month, we're giving you the chance to win the ultimate summer workwear outfit from Dickies, including items from its popular Pro range.

As with all items from the range, the Dickies Pro T-Shirt has a smart, professional look without compromising on the practical features that plumbers rely on.

As well as offering factor 45 UV protection, the t-shirt features Coolcore technology that wicks moisture from the skin – making sure you stay cool regardless of the temperature.

Also from the Pro range, the Dickies Pro Shorts are cut in an ergonomic fit and feature flexible materials such as Stretch Tencate –

allowing the shorts to grow with the wearer throughout the day – plus Cordura to offer reinforcement to pockets.

Both the Pro shorts and t-shirt are two-tone and available in five colour-ways.

The outfit also includes Dickies' Phoenix safety trainers, which were designed with flexibility in mind.

Particularly suitable for plumbers who spend a lot of time kneeling or bending, the trainers are light and flexible, with breathability for maximum comfort throughout the day.

To top off the outfit, the Dickies Two Tone Softshell Jacket is both breathable and water-resistant, making it ideal when working
